

Lobby With Us in Ottawa

October 21-24, 2017

We have made great progress since our beginnings in September 2010. President Trump is hampering progress.

CCL Canada will conduct our fourth multi-day national conference and lobbying days October 21-24, 2017. Please join us. This will be our 12th time lobbying together on Parliament Hill. Look for details on the CCL Canada website after June 1, 2017 here by searching with our hashtag: #CCCL2017

No experience necessary. You will be surrounded by veterans. In 2016, CCL Canada volunteers recorded 168 face-to-face meetings with MPs and a total of 199 meetings with staffers, provincial parliamentarians, and federal parliamentarians.
